

House Resolution No. 709

Whereas, it is always a special occasion when the members of the Missouri House of Representatives pause to recognize an individual who has put much thought into the prospects for retirement and has made the decision to embark upon that adventurous course in life; and

Whereas, Joan Stroer of Columbia, Missouri, has chosen March 18, 2002, as the day on which she will officially leave her many duties and various responsibilities at MBS Textbook Exchange, Inc.; and

Whereas, Joan Stroer has worked at the MBS Textbook Exchange for a period of twenty years, during which time she has developed a considerable degree of expertise in meeting her obligations to all patrons of the business as well as to the management; and

Whereas, Joan Stroer initially held the position of N.P.Q. Supervisor, in which capacity she enjoyed tremendous success by recording more annual purchases than half of the marketing representatives, an achievement that gained her the admiration and respect of many; and

Whereas, Joan Stroer went on to accept major responsibility as Receiving Office Supervisor and worked in that position with the utmost competence and commitment in an earnest endeavor to assure efficient, accurate, and courteous service; and

Whereas, a graduate of Westmont High School in Johnstown, Pennsylvania, Joan Stroer experienced additional distinction through the important role she played as owner/operator of the Flint Hill Tavern, a popular establishment located in east central Missouri; and

Whereas, Joan Stroer looks forward to having more free time to do the things she especially enjoys and anticipates many wonderful moments to be spent in the loving company of her four fine children, Tom, Greg, Sue, and Jim:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-first General Assembly, join unanimously in extending hearty congratulations to Joan Stroer at this significant milestone in her career and in wishing her only the very best as she gradually settles into a life of leisure with no restrictions other than those she imposes on herself; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Joan Stroer, as a mark of our esteem for her.
